

An illustration of a young man and woman in a winter setting. The man, with dark hair and a small star on his forehead, is wearing a grey fur-trimmed parka and holding a green smoothie. The woman, with blonde hair, is wearing a pink top and a grey fur-trimmed parka, leaning her head against his. They are both smiling. The background is a soft, snowy blue with falling snowflakes.

"Please allow me to call you father"

It comes as quite a shock when novelist Shouichi Shoufuro gets a sudden confession from his young and sincere editor-in-charge Masami. With a sinking feeling in Shoufuro's stomach, Masami proposes his wish to marry the daughter Shoufuro has longed raised by himself. But right before the wedding, his daughter disappears!

"I'm sorry! Masami-kun."

What will happen to Shoufuro when he suddenly has to live under the same roof as the man who was supposed to become his son-in-law?

Sorry-but a father-in-law?!

It's the start of two men living together with a growing desire...

An anime-style illustration serves as the background. It depicts three characters in a room. On the left, a character with long brown hair is seen from the back, wearing a white shirt. In the center, a character with short brown hair and bangs looks down, also in a white shirt. On the right, a character with short brown hair is shown from the side, looking towards the center. The room has a blue wall, a white lamp with a yellow glow, and a white desk or table in the foreground. The overall style is soft and painterly.

Prologue

My family operated a
posting shop

so I spent Christmas
with just my two
siblings.

When my brother
entered middle
school, he
started helping
with the shop,
and I spent
Christmas with
my sister.

And then
when my
sister entered
middle school...

It-
Reichman,

How can
you say...

That if it is
Reichman...

Because
with you,
I'm just a
latter of
the same
faded girl
again

Swix

Yeah
He's eat
him

He
eat
him

Well, I
think I
would
eat him

Why
would I
not be
good

Am I
good
enough

But I'm
choking
the person
who looks
faded so
I'm
everything
to him

I trust
you and
love you

I'm
happy

I want
to be able to
be happy.

I guess that's
right.

I can't
make Soma
happy.

I'm
probably
also not
doing his
share.

Your doubt or
embarrassed
face (Soma)
and his share.

I'm
probably
also not
doing his
share.

You know
Gensai

*your daughter
isn't the only one
waiting for your
Happend-01.*

Apology

For someone who specializes in shirts I must have lost my way to draw an older one...

speaking of older men, I like mature people.

That and I also wanted to draw

THIS
(Laugh)

And I wanted to draw an erotic scene with a Rutabaga!

I think it's wonderful how people who do a hobby wear Japanese clothing as casual wear and are very particular about their underwear.

In the middle of making a printed!

Seems like a person who is... huh?

By the way, if you can get patterned Rutabaga these days.

Thank you to everyone who read this book, and to those who were making it.
